

TriCAT spaces Congress

We are pleased that you have been invited to an event in TriCAT spaces Congress! Here we have briefly summarised for you what options you have during the Congress.

After downloading the programme, you will find yourself in the main menu. There, after logging in, you can choose an avatar for the later parallel sessions and go through the **movement tutorial**:

- >First Steps
- >Tutorial: Your Avatar

You leave the tutorial "Manual: Your Avatar" again by clicking on >Session in the options menu at the top left and in the window that opens click on >Leave session, then click on >Back to main menu

In the main menu of the programme please select the congress room (your start room) via the button >Sessions and join.

Sessions

We wish you an exciting and informative event!
Best regards,
Your TriCAT GmbH

In the Congress Room

You can change **positions or perspectives** with the up and down arrow keys.

Hold down the **left mouse button** and look around. You change your point of view.

Your **microphone is automatically muted** in the congress room.

Via **Text Chat**, you can send messages directly to the organisers or to all.

Use the **Hand Symbol** to **announce** yourself and the organisers will be notified.

Use the **menu button** to open the **options menu**. More information on the next page.

In the Congress Room

By left-clicking the mouse on the media walls, they can be **enlarged** individually.

You get **full screen mode** by clicking on the **frame** next to the X.

You can **enlarge/reduce** the Media Wall as you wish using the bottom right-hand border.

Über den Slider können Sie in ein Dokument hineinzoomen.

You can join the parallel sessions via the **Event Plan** - in the open **Options Menu**.

In the **parallel sessions**, you have your own avatar, can speak freely, move freely and interact with objects as well as with other participants.
